TIPS FOR SUCCESS

- Host, attend, and invite to Events. Local events are helpful as your team members build their business. Regional and Boot Camp events are an excellent means to build belief in The Juice Plus+ Company and in the products. Inviting team members and prospects to these events can be life-changing.
- Conduct 3 way conversations and teach your team members to do the same. Validation in the decision to become a customer or a team member is best accomplished with a “buddy”.
